Hi Mr. Page!

Just to let you know..... My husband, our daughter Julie and I are going to visit Melissa and Arturo Avila in Monclova Mexico in July!

Having Vanessa from Venezuela, Julie going as a student to Venezuela, our family visiting Venezuela, Our family hosting 2 more students and now going to visit them in Mexico, has all been a wonderful experience that all started with Julie responding to a talk at her school. It has been a wonderful exchange!

Thanks to you and your staff for the opportunity and all the behind the scenes hard work that goes into the process. I will try to let you know what our trip is like to Mexico. We are going for 2 weeks which will be wonderful!!!!!!!!!!!!!!

Sincerely,

Beth Santana
