To whom it may concern:

With this short note, I wanted to take the opportunity to write a few lines on behalf of the P.E.A.C.E. Student Exchange Program.

As principal of Nativity BVM High School, and during these past several years, I have been associated with several student exchange program. In the course of that association, I met and came to know Mr. Richard Page, who along with his wife, had served as a host family.

Since that time, Mr. Page and Mr. Michael Herrera have come together to found the P.E.A.C.E. program, a program which Nativity BVM High School participates in.

I'm very happy to say that our relationship has been enriching and rewarding. On the part of the program and their staff, I have found in P.E.A.C.E. an organization of men and women who have come to focus on the best interests of the students involved; there is an effort to highlight the whole of the person, and from my perspective in a Catholic school setting and environment, I applaud that effort.

In mentioning the organization, my interaction has been more specifically with Richard Page; and throughout he has been most responsive to our slightest concern or need. For myself, it's assuring to know of his concern and willingness to extend himself however best he can. In turn, I'm very pleased that Nativity BVM High School is a participant in the P.E.A.C.E. Student Exchange Program and offer my sincerest recommendation on the program's behalf.

Sincerely,

(Rev.) Stephen L. Maco, M.Ed.  
Principal
