Dear Peace Staff:

(Joy Procop, Richard Page, Sam Dutton & Wanda Rockwell):

I would like to take this opportunity to recognize all of you at PEACE for the wonderful opportunities and experiences your organization has brought to our school. The advantages of having foreign exchange students within our building is truly remarkable and mutually beneficial. Having witnessed our students make life long friends, and visit the exchange student in their home country, and then have the exchange student return to the school and community for follow up visits speaks very highly of your program. I also know that a program of this quality does not just happen and that all of you are to be commended for your outstanding efforts, related to every aspect of each placement, including initial host family investigation, exchange student screening, school contacts and ongoing personalized follow up letters and phone calls. It becomes readily apparent that all of you are truly committed to providing both exchange students and the host community a very enjoyable, beneficial, and memorable experience.

On behalf of our host families, our students, faculty and our community, let me say "thanks again" and congratulations to all of you on a job well done!

Sincerely,

George T. Moore
Director of Guidance
