Mr. Richard S. Page
Executive Director
Pro American Educational &
Cultural Exchange
40 Water Street
New Philadelphia, Penna. 17959

Dear Mr. Page:

At the present time we have 2 exchange students at Marian High School whose admission was arranged through your agency. I am very pleased with the attitude and aptitude of both of these students. They have integrated nicely into our educational and social systems. I commend you and your staff on your selection of students and your cooperation during the school year.

Sincerely yours,

John P. Malarkey
Principal, M.H.S.
